Sir:

Applicant hereby petitions to revive the above-captioned patent application, which was unintentionally abandoned.

A Final Office Action was mailed June 4, 2004 for the above-referenced application. The Office Action set forth a 2-month deadline for response of August 4, 2004. A response to the Final Office Action was timely filed on July 30, 2004. However, no Advisory Action was received in response to the response. At least in part because no Advisory Action was received by the undersigned, Applicant unintentionally failed to file a Notice of Appeal by the 6-month deadline of December 4, 2004 deadline, thereby causing this application to become unintentionally abandoned.

Attempts were made to contact the Examiner on December 17, 2004, but the Applicants calls went unanswered.

For at least the aforementioned reasons, Applicant believes that the entire delay in filing the required reply, from the due date for the reply until the filing of the present petition, was unintentional.

Applicant includes herein the required reply to the Final Office Action, which in the present case is a Notice of Appeal. It is believed that a fee of \$1,300.00 is required to cover cost of filing this petition. The Commissioner is authorized to deduct said fees from **Williams, Morgan & Amerson, P.C. Deposit Account No. 50-0786/2069.009900.**
